**ADDENDUM NO. 1**

**I DIRECTIVE**

This addendum shall form an integral part of the plans and specifications for the above project and shall be read in conjunction therewith. This addendum shall, however, take precedence over all requirements of the previously issued drawings and specifications with which it may prove to be at variance, unless otherwise clarified by the Engineer.

This addendum must be signed by the Tenderer in the appropriate space and must be attached to the back of the Form of Tender and placed in the "Second Envelope" for submission at the time of tendering. **Tenders not including this addendum signed as requested shall be rejected as informal.**

**II REVISIONS**

**1. Tender Advertisement**

The tender advertisement inadvertently indicated that the non-mandatory site visit has been scheduled for bidders at 10 am on Wednesday, January 24, 2012. The day of the week should have been Tuesday.

Therefore, replace the wording in the tender advertisement with "A non-mandatory site visit has been scheduled for bidders at 10 am on **Tuesday**, January 24, 2012 at the Hixon Street Reservoir site." Although the site visit is non-mandatory, bidders are strongly encouraged to attend.
