

THE REGIONAL MUNICIPALITY OF NIAGARA MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of The Regional Municipality of Niagara (the "Region") are the responsibility of the Region's management and have been prepared in compliance with legislation, and in accordance with Canadian Public Sector Accounting Standards. A summary of the significant accounting policies is described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Region's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The audit committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by Deloitte LLP, independent external auditors appointed by the Region. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Region's consolidated financial statements..
