

SEWAGE DISPOSAL LOCATIONS

The Niagara Region operates Sewage Disposal stations for the convenience of travelers and Sewage Haulers. The facilities will normally accept waste during the hours shown on this list, seven days a week. There is no fee for deposit of sewage from RVs/trailers or buses. Sewage Haulers are invoiced based upon the capacity of the truck used to deliver the sewage.

NOTICE TO USERS

The acceptance of any hauled sewage is entirely at the discretion of the receiving plant. Adverse weather conditions or plant operational difficulties may result in the facility being unable to accept hauled sewage. It is the responsibility of the hauler to verify that the plant is able to accept waste on any given day.

Children under 15 are required to remain in the vehicle during disposal.
